Equestrian Canada coaches offer equestrian lessons, training, mentoring and occasionally travelling with participants of all ages and abilities. They frequently supervise other staff members/volunteers and are in a position of trust and authority with regular access to minors, persons with a variety of physical and/or mental impairments and seniors.

Due to the nature of this position, applicants deal with athletes under the age of 18 as well as persons with disabilities – often in an one-on-one situation. As a National Sport Organization, Equestrian Canada considers Vulnerable Sector Screening an important tool in ensuring individuals meet the requirements for Safe Sport participation. All person born on or prior to February 28, 1986, are required to submit a VSS report to EC to earn /maintain Coach Status designation; we required this step to be completed only one time for each coach applicant. **Please return the completed Vulnerable Sector Check directly to the applicant coach.**

Should you have any other questions or concerns, please do not hesitate to contact us.

Sincerely,
