

# EC HUNTER/JUMPER COURSE DESIGN CLINIC – ON

November 21-22, 2022

Bond Head, ON

“The Master Plan” clinic will present the basic fundamentals and trends of current hunter and jumper course design. The clinic will benefit current EC course designers and those interested in becoming course designers. The clinic will also focus on the basics of course design for those participating and interested in Eventing and stadium jumping.

Open to EC licensed Hunter and Jumper Course Designers and applicants, coaches and all interested individuals.
